

## RICE BRAN (ORYZA SATIVA) OIL

Rice bran oil is cold press from the outer layer, the bran, of the rice grain. A traditional oil of Thailand, Alodia virgin rice bran oil is pressed exclusively from Jasmine rice bran giving it a unique natural aroma.

Rice bran oil is rich in vitamin E complex, tocopherols and tocotrienols, a unique antioxidant known as gamma oryzanol, high quantities of phytosterols, polyphenols and squalene. Squalene actually makes up to 12% of human sebum, the skin's natural moisturizer.

Rice bran oil is nourishing for the skin and leave it smooth and hydrated. Virgin rice bran oil has however a medium penetration in the skin and may be best blended with other oils for an optimum carrier oil.

Alodia Co. Ltd. 779/209, pacharatbumpen road, samsennok, huaykwang, Bangkok 10310, Thailand.
